

# AUTO ATTENDANT

- *Automated Call Answering*
- *System Menu Options*

## BENEFITS OF AUTO ATTENDANT

OneCloud Unified Communications System has a simple auto-attendant builder. Change recordings and options anytime.

User – Goes to a user (extension).

Hunt Group – Goes to a group's users.

Conference – Sends to a conference bridge.

Call Queue – Directs to a call queue.

Directory – Goes to a dial-by-name company directory.
